## ***SPECIAL IMMUNIZATION CLINICS HELD FOR MPS CHILDREN OUT OF COMPLIANCE***

The City of Milwaukee Health Department has opened special clinics to immunize Milwaukee Public School (MPS) students who are still non-compliant. The Milwaukee County District Attorney's office has distributed letters to parents of more than 9,000 students who still need immunizations, or who need to present their immunization records to the school. Parents who do not comply can be issued a bench warrant and face fines for not meeting immunization requirements.

Families who still need to immunize their children should report to the special clinics at the Northwest Health Center, according to the directions in the letter. There are two remaining clinics available:

**WHEN: May 5 and 6, 2003**

**LOCATION: Northwest Health Center  
7630 West Mill Road**

**TIME: 8:30 - 11:30 a.m.
